

"And God formed man from the ground, and he blew  
into his nostrils the breath of life, and man  
became a living soul endowed with speech."

-THE BOOK OF JASHER 1:2

38. POST-MORTAL BIRTH ORDINANCES

I have nothing to say here -at the present time- about the birth ordinances that are applied to our spirit at the time it "dies" from mortality.

This page is just put here to emphasize to the reader that birth ordinances are part of the death process.

These ordinances have already been alluded to in the previous chapter. They were interspersed with other ordinances in the text, just as they probably are interspersed with the actual ordinances of death at the time both are applied.
